Our records indicate that your laboratory has requested a Certificate under the provisions of the Clinical Laboratory Improvement Amendments (CLIA) Program. The CLIA law promotes the quality and reliability of laboratory tests performed throughout the nation. The law also requires the Department of Health and Human Services (DHHS), Centers for Medicare & Medicaid Services (CMS) to assess fees to cover all costs of administering the program, including registering laboratories, issuing certificates and conducting onsite surveys.

Note: All fees must be paid in full prior to any CLIA inspection or issuance of any CLIA certificate. Advance billing allows time to schedule and perform an inspection, if applicable, and allows time to issue the appropriate certificate. When renewing a certificate, if full payment is not received prior to the begin date of the above certificate period, your current certificate will be terminated and you may not legally perform testing after this date.
