

Screening Questionnaire for Injectable Influenza Vaccination

"Flu Shot"

The following questions will help us determine if there is any reason we should not give your child injectable influenza vaccination today. If you answer "yes" to any question, it does not necessarily mean your child should not be vaccinated. It only means that additional questions must be asked. If a question is not clear, please ask your healthcare provider to explain it.

Patient's Name: _____ **Date of Birth:** _____

1. Is your child sick today?	Yes	No	I don't know
------------------------------	-----	----	--------------

2. Does your child have an allergy to eggs or to a component of the vaccine?	Yes	No	I don't know
--	-----	----	--------------

3. Has your child ever had a serious reaction?	Yes	No	I don't know
--	-----	----	--------------

4. Has your child ever had Guillain-Barre syndrome?	Yes	No	I don't know
---	-----	----	--------------

I authorize this vaccine to be administered to the above named patient.
